Chemical Weekly

Concurrent with

Koelnmesse YA Tradefair Pvt. Ltd.

"India" - Land for your Business Opportunity

Population	:	Over 1.2 billion
Land Area	:	3.29 million sq km
GDP	:	Over US\$ 1 trillion (at Market Exchange rate)
GDP Growth	:	approximately 7%

The Tradefair

2nd Edition of International Exhibition on Chemical Processing Technology & Equipment - ChemProTech India 2011 would be an excellent platform for the entire India & International Companies to showcase their latest equipments & technologies to the most emerging country of the world & the **3rd** largest producers of chemicals in Asia.

The 2nd successive edition is scheduled during 14th -15th April 2011 concurrent to Chemspec India at Bombay Exhibition Centre, Mumbai .

REVIEW ChemProTech India 2010

The first edition of ChemProTech India 2010 has created an unique benchmark for the entire chemical plant process machinery & equipment industry. The exhibition was organized in concurrent with Chemspec India 2010 India's leading exhibition on fine & speciality chemical. With the growth rate of 20% on YOY basis in terms of exhibitors & visitors Chemspec India successfully completed the 6th edition . ChemProTech India was officially supported by India's only & leading process plant machinery association –(PPMAI). PPMAI was Established on March 31, 1964, is an Association of Companies that provide Systems, Equipment & Services for establishing Process Plants. It was also well supported and accepted by its esteemed members of the association include the leading manufacturers of process plant and equipment as well as engineering and consulting companies that serve the process industry.

The exhibition was inaugurated by Mr. Jai Hiremath – President, Indian Chemical Council, in the presence of Mr. Prasad Chandran – Chairman, BASF; Mr. Kishore Shah, President, Indian Spec. Chemicals Mfgs Assn. Mr. Kirit Mehta, President, CAMA, , Mr. V. P. Ramchandran – Secretary, PPMAI; & many more senior representatives of the industry & association.

EXHIBITORS

With an area of 11,000 sqm both the exhibition attracted more than 250 exhibitors from different parts of the world. The latest equipments, machineries & technologies being displayed by exhibitors like GMM Pfaudler, Dipesh Engineering, Praj Industries, Protego Equipments, Bectochem, ATR - Asahi Glass Process Systems (P) Ltd., Sawant Pumps P Ltd., Kitten Enterprises and many more were the centre of attraction of the exhibition.

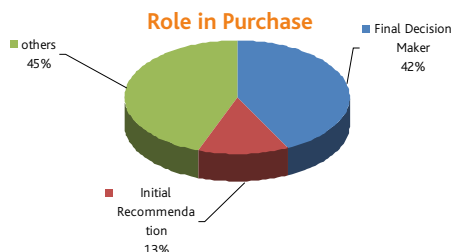

VISITORS

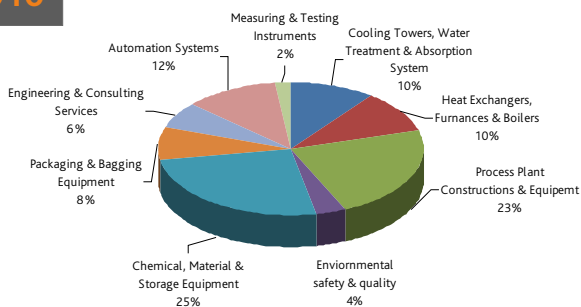

With an overwhelming response from the industry the exhibition noticed a footfall of 9,500 trade visitors. The presence of the senior decision makers from companies of the fine & speciality chemical industry like BASF, Dow Chemicals, Deepak Nitrite, Jubilant Organosys, United Phosphorus, GNFC, RFCL, Atul Industries, Meghmani Organics & many more made the value for money for all process equipments exhibitors who had shown us their confidence in the first edition of ChemProTech.

A GLIMPSE OF SUCCESS AT 2010

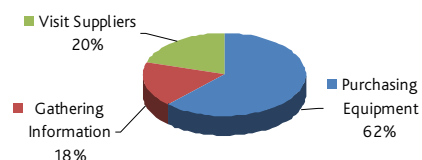

- Area in sqm: 11,000 sqm
- No. of Exhibitors: 250
- No. of Countries Representation: 7
- No. of Pavilions: 3 (China, Taiwan & UK)
- No. of Visitors: 9,500

EXHIBITORS PROFILE

PROCESSING PLANTS & EQUIPMENTS

- Chemicals, Pharmaceuticals, Fertilizers, Petrochemicals, Oil & Gas Process Industries
- Process Control & Engineering
- Project Management & Construction Services
- Process Designing & Installation
- Process Licensors
- Packaging Systems, Machinery & Materials
- Welding / Plant Maintenance Services, Industrial Consumables
- Energy Construction & Erection of Process plants
- Pumps, Compressors & Valves
- Tubes & Pipes
- Raw materials
- Industrial Lightning
- Storage Technology
- Cooling Towers
- Water Treatment
- Absorption Systems
- Heat Exchanger
- Furnaces & Boilers
- Bagging Equipments
- Shipping Transportation & Logistics

AUTOMATION & CONTROL

- Analytical & Laboratory Equipment / Consumables
- Controls (PLC, Industrial PC)
- Electric Drives
- Field Bus Technology
- Material Technology & Testing
- Networks and Industrial Communication
- IT/Vertical Integration
- Visualization
- Software / Hardware and Periphery Equipment
- Industrial Sensors
- Intelligent Vision Sensors
- Safety Technology

ENVIRONMENT, SERVICES & OTHERS

- Consultancy Services
- Environmental Services, Technology & Products
- Industrial Safety
- Material Handling Equipment
- Quality, Health, Safety & Environment

VISITOR PROFILE

PROFILE

- Professionals from the chemical and process industries
- Engineers, Technocrats, Scientists
- Marketing Heads, Sourcing Heads
- Trade Delegations from India and overseas
- Manufactures & Suppliers
- Dealers, Retailers & Traders

INDUSTRY SEGMENT

- Chemical
- Petro Chemical
- Fine & Speciality Chemical
- Agro Chemical
- Chemical Intermediates
- Pharmaceuticals
- Fertilizer Intermediates
- Process Equipments
- Oil & Gas

ChemProTech India-2011 in brief

Date & Time	April 14 th - 9:30 a.m. to 6:30 p.m. April 15 th - 9:30 a.m. to 5:00 p.m.
Venue	Hall No.1, Bombay Exhibition Centre, NSE, Goregaon, Mumbai, India
Frequency	Annual
Schedule	Assembling: 12 th to 13 th April, 2010 Dismantling: 15 th April, 2010 (from 6 p.m. till midnight)
Admission	Trade and business visitors only

SPONSORSHIP OPPORTUNITIES

To maximize the visibility to the participating exhibitors we have designed excellent sponsorship opportunities like:

- Lanyards of Visitor Registration Badges
- Exhibitor Kit bags
- Internet Cafe
- Poles
- Pillars
- Exhibitors Evening
- Registration Area
- Cafeteria

About Associates:

CHEMICAL WEEKLY - is India's largest news magazine dedicated to the chemical and allied industries. Published every Tuesday and with a readership exceeding 80,000; Chemical Weekly has been unflinching serving the cause of the industry for over half a century. Our group perhaps constitutes the only entity in India catering exclusively to the needs of the chemical industry. In addition to our publications, we also offer customized consulting / market research services to organizations within India and overseas.

Quartz Business Media - specialize in the organization of business to business events & publishing of market leading magazines and directories in the speciality chemical industries. Their portfolio includes speciality chemical magazine as well as the Chemspec Events held annually across Europe, Middle East & the United States.

About the Organiser:

Koelnmesse YA Tradefair Pvt. Ltd. - a young team of professionals with over a decade of experience in successfully organizing tradefairs, seminars, conferences, events in the country and also provides complete solutions to organizes exhibitions and conferences and marketing & visitor promotion activities of overseas fairs in India.
