Connecting India to the world

India's most comprehensive trade show for the chemical & allied industries

Organiser

**ChemExp<sup>®</sup>**

Exhibitions Pvt. Ltd.

ChemExpo India 2026 is positioned as a comprehensive showcase of Indian capabilities in the broad chemical industry. Exhibitors at the event will come from the Bulk, Fine and Speciality Chemical Industries, and include Indian as well as international companies.

ChemExpo India 2026 & co-located shows follows the overwhelming response to the 2025 Edition which saw over 556 Exhibitors & over 31,032 attendees.

With the world open ChemExpo India 2026 is your company's opportunity to make new business connections, reinforce old ones, showcase your innovations & products, demonstrate technical capabilities, and learn what your peers are doing.

Co-located events will showcase capabilities in Plant Machinery & Equipment and Chemical Logistics.

In addition, a variety of Sponsorship and Speaker opportunities are available to reinforce your presence.
